\*courses with an asterisk are led by Chris Murtha

Cost for the New Rider Course (4 days) is \$325. Motorcycles are provided! You must have your motorcycle permit.

Cost for the Skilled/Experienced Rider Course (1 day) is \$125. Take this class on your own motorcycle or we can provide one for you.

If/When you pass/complete these courses, you will be given a Motorcycle Safety Foundation card that can provide a discount on your motorcycle insurance. We also offer the SC DMV motorcycle riding test after the course completion at no additional charge. This can give you your motorcycle endorsement on your license; however, the DMV randomly chooses some to test at their field location.
